

PRIX CAPRILLI Second Level

Prix Caprilli Test for Horses with jumping experience competing First Level and above - maximum height of fences 2'6". It is understood that in the working gaits, a jumping horse is not expected to be as round on the aids as a competing Dressage horse. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Unless otherwise noted, trot work may be done posting or sitting. When allowed to change leads the horse may do a flying change or change though the trot. The quality of the change is what matters. Test may be called.
