

Pacific Equestrian Center is one of Sacramento area's largest equestrian centers hosting more than 20 events for equine enthusiasts during the year. At PEC we are always promoting the dressage discipline, through educational programs and clinics with top ranking dressage instructors (both national and international), and more than 10 schooling and rated shows throughout the year bringing hundreds of participants and visitors from all over California and Nevada.

Our show season is made possible by the generous support, sponsorship and donations from businesses both local and national, that support the equine industry and local economy. Show sponsorship is a great way to advertise your products and business services to both existing and potential new customers.
